Your first night you will enjoy a Welcome Reception at the Riveredge Resort. The next morning you will enjoy a breakfast, along with a majestic view of the St. Lawrence Seaway, after that you will be getting picked up at the Riveredge Resort docks, for your Ecology Tour of the St. Lawrence River and Thousand Islands. Here you will enjoy a majestic three hour guided tour. This will be an unique opportunity to view wildlife of the Thousand Islands region, including Osprey, Terns, Double-Breasted Cormorants, Great Blue Heron and Mink just to name a few. Halfway through the tour, you will be disembarking the boat and enjoy a 45 minute Nature Walk on Grindstone Island. This is an exceptional opportunity for bird watching, as well as spotting frogs and reptiles sunning on the trails. Then you will have a boxed lunch at Picnic Point State Park on Grindstone Island. After this you will once again travel by boat to the Antique Boat Museum for a self guided tour. Now you will be taken back in time at the Antique Boat Museum, here you will fine an array of wooden boats of all kinds.

Once back at the Riveredge Resort you will enjoy dining in the Jacques Cartier Room located on the Forth Floor, with a spectacular view of Boldt Castle directly across from us.
